ITEM #: 0184006E MSRP: \$32.99

The Five Senses

This book introduces children to the science that surrounds them in their everyday world. Simple, friendly text works closely with top-quality photography to open up a new area of learning. Each page is full of things for readers to notice, talk about, and try out for themselves. From smelling food when we eat to seeing colors when we dress, we use our five senses to respond to the world around us. And understanding our senses is something that science is all about.

ITEM #: 0310331E MSRP: \$4.94
